- What:** 47th Annual Madfest Juggling Show at the Barrymore Theater
When: January 14, 2017 (Saturday) 7:00-9:00 P.M. (come between 6:30 –6:45)
Where: Barrymore Theater – 2090 Atwood Ave, Madison (limited parking behind the theater – come early)
Cost: \$20 (\$15 if ASC members) See ticket cost details below

The Best Juggling Show in town! There is a juggling convention in Madison every January. The culmination of that convention is always a Saturday night juggling show where the best jugglers at the convention show what they can do. I like to call it an “object manipulation show” because they don’t just juggle. They do yoyos, spinning tops, unicycles, jump ropes and many other things that seem to defy the laws of physics. The AUsome Group has gone to this every year since 1999. It is a hoot! There’s lots of creativity, humor and slapstick in the show and the juggling talent is really good.

It’s always freezing cold and parking is a challenge, but it’s worth it! If you want to read more about the show at a creative and outrageous web site, see <http://www.madjugglers.com/madfest/>.

The base ticket price is \$20, however, we are going to give a \$5 refund to members of the Autism Society of South Central Wisconsin (ASC) who purchase the tickets in advance from us (Note that an individual annual ASC membership costs \$15 while a family membership is \$30 so this is a great membership value). Show attendees who are not ASC members will be able to purchase tickets at our cost of \$20. This allows you to sit in our special seating section. Note that being a member of the AUsome Social Group is free and is not the same as being a member of the ASC. Also remember that ASC membership will give you other “perks” like free admission to events like our winter pool party or reduced cost to other ASC activities like the upcoming March Hockey game. You can check your ASC membership status at any time by emailing info@autismsouthcentral.org. Include your name and address to help with verification.

In the past, there has been a lot of confusion about who had a current ASC membership when tickets were purchased on-line. To avoid this confusion and simplify things, our on-line application this year will charge everyone \$20 for each ticket. Then the night of the show, we will include your \$5 cash refund per ticket for ASC members in your ticket envelope when you pick up your tickets.

Do NOT order tickets from the Barrymore or Juggling show website if you want to be part of our special seating section for the AUsome Group and get the \$5 refund. The deadline for ordering tickets with our group is Sunday, January 8th. Here’s the link to the ASC ticket ordering website.

<http://autismsouthcentral.org/events/madfest-juggling/>

At this link you can join the ASC and order juggling show tickets for \$20 each and pay for it all with a credit card or with a PayPal account. If you want to pay for your tickets with a check instead of using the web site, contact either me (608-222-4378 / nancy.l.alar@gmail.com) or the ASC office (608-630-9147/ info@autismsouthcentral.org) by **Jan. 5th** to confirm the ticket count and the total cost before you mail your check to the ASC office. I hope you can join us for this always fun activity.

The show has sold out in many past years. It kind of depends on the weather. I will be buying all our tickets at once from the theatre on Jan. 12th (so we can give our membership refunds) which is why our deadline is Jan. 8th. You will still be picking up your tickets from me in the lobby the night of the show just like last year. Feel free to call me if you have any questions about the ticket purchasing process. I can walk you through our ticket website if you need help.

Please meet me in the lobby the night of the show between 6:30 and 6:45 to pick up your tickets! I or one of my helpers will be waiting for you with the tickets -- Look for the AUsome Social Group sign. **Do not go to the regular ticket window to get your tickets unless you arrive very late.**

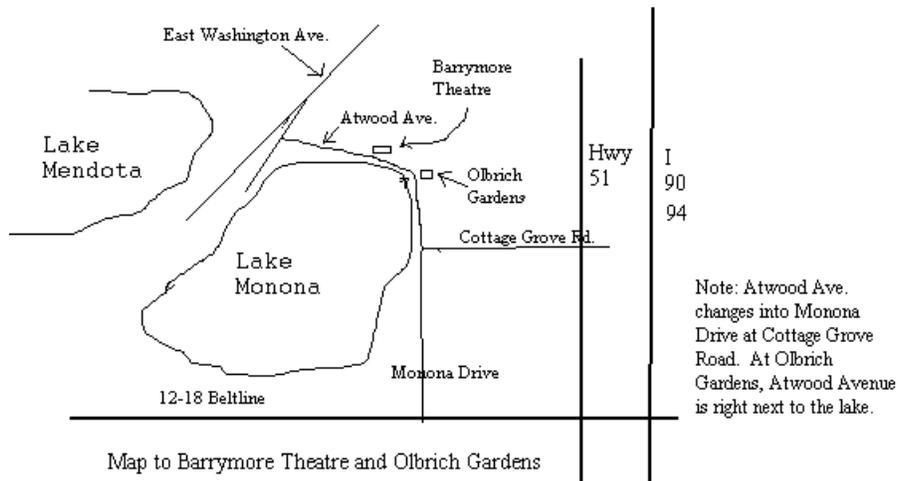

As before, they are setting aside a special section for us so we can all sit together. We are the only group who gets special seating. All other audience members are seated on a first-come, first-served basis. We will be sitting in a reserved section in the back on the right side on the main floor. This will make it easy for you to get out if you need to. Don't worry if you have to leave early. Someone has to leave early almost every year.

There is a parking lot behind the theatre, but it is rather small. There is the usual theatre food available for purchase. Plan to bring some extra money if you want to buy popcorn, soda or other treats or a juggling show T-shirt.

Important Items and Sensory Issues:

- ☺ The show is rather long and the theater is crowded.
- ☺ There also are lots of noisy people in the audience (we will be some of them!).
- ☺ Feel free to leave early if it gets to be too much.
- ☺ There may be balloons in the crowd at intermission and/or in the show.
- ☺ There is a 20 to 30 minute intermission in the middle, but the lines for the bathroom are long.
- ☺ Deadline for ordering and paying for tickets online is Sunday, Jan. 8th
- ☺ Deadline for verifying membership and arranging with the ASC office to purchase tickets by check is Thursday, Jan. 5th.
- ☺ This all may seem confusing. Feel free to contact Nancy Alar (608-222-4378 / nancy.l.alar@gmail.com) or the ASC office (608-630-9147/ info@autismsouthcentral.org) if you have any questions.

What: Winter Pool Party
When: Saturday, February 18, 2017, 4:00 – 6:00 pm.
Where: SwimWest Madison, 1001 Demming Way, Madison, WI 53717
Cost: Free for ASC members! \$5 for non-member families; \$2 for non-member individuals
(There will be light refreshments)

In the middle of February we all get pretty sick of winter. This is your chance to have some fun with a more summer-like activity to chase the chill away. SwimWest has a great indoor pool with lots of room to swim and have fun with friends. You can bring your own pool toys.

We did this activity last year and had over 50 people come. We even had someone available to teach basic swimming skills and hope to have her there again this year.

There are men's and women's changing rooms with showers to get dressed and change into your suits. Remember to bring your swimsuits and towels and any additional things like shampoo and a comb to get cleaned up after you get out of the pool. There is a large parking lot with free parking. There will be lemonade and popcorn provided for snacks.

The cost of swimming is free for members of the Autism Society of South Central Wisconsin (the ASC). So this might be a good time to join the ASC if you aren't a member already. See the ASC web site at <http://www.autismsouthcentral.org/> for more details on ASC membership cost (\$30 for a family; \$15 for an individual), how to join and details about the Winter Pool Party. You will also be able to join ASC (and save the fee on swimming) at the pool as you check in.

Pre-registration is required because we need a count for the number of lifeguards and the pool capacity. The Autism Society office is coordinating the Swimming party registration. You can register on-line at this link <http://autismsouthcentral.org/events/winter-pool-party/> You will be asked to let us know how many people are coming and how many plan to swim. If you don't have email access, you can call the office at 608-630-9147 and leave a message with your name (with spelling), number attending (both swimming and not swimming) and your phone number so we can check back if we need to. Please speak slowly and clearly so we can get accurate information.

Important Items and Sensory Issues:

- ☺ The pool area can be loud and "echoy" when there are a lot of people there
- ☺ Be sure to pre-register so we know how many are coming.
- ☺ Remember to bring your suit and towel
- ☺ Feel free to leave early if it gets to be too much.

What Happened at AUsome's Last Outings?

Video Game Night and Pizza at McFarland Community Center Saturday, November 5, 2016, 6:30 – 8:30 pm

For the first time in forever we moved video game night to a different location than the Midvale Community Lutheran Church. This had advantages and challenges. The good news was the space was free and we didn't have to struggle up and down that flight of stairs to the church basement with equipment. Plus we had a custodian on-site so we didn't have to worry about getting locked out. The challenge was being in McFarland which isn't on a bus line, but people still seemed to be able to find the place. I'm pretty sure the advantages outweighed the challenges. Plus the pizza place (Spartan Pizza) was right across the street so if we needed a pizza refill it would have been easy to get one. We will very likely have it in the same place next year.

As usual, this was a really great time!! We had 37 people attend. We had about 14 large pizzas from Spartan Pizza. The consensus was we needed a few more veggie and sausage and a few less cheese pizzas. As usual, the dessert cookies disappeared completely by the end of the night, but there were plenty of carrots left. We had a good selection of soda. We had a couple bottles of soda left that were forwarded on for use at the monthly Monday evening board game night.

Last year we only had 1 active video game setup, but this year we had 6 electronic game setups operating! There was a lot of cool competition. Thanks to all who brought TV/game setups and controllers!! It also was helpful that several people remembered to bring extension cords and power strips. I know it is a pain lugging that heavy stuff around, but we couldn't do it without you! At least the newer flat screen TVs are not as heavy as the older bulky models. A special thanks to all the group members for their efforts on technical support. AUsome members should be proud of their skills with equipment.

Those who were there as spectators enjoyed looking at the 19 AUsome scrap books of our past activities. A lot of family members and friends joined in the fun. There was a lot of visiting and discussion going on besides the friendly competition. There were also a couple of sophisticated board games set up that generated keen interest.

AUsome now owns 2 (very old) surplus projection units to hook up to our video games instead of a TV! We'll use them until the bulbs burn out (a very expensive replacement proposition). These projectors are very useful because popular games can be projected on a screen or wall so others can watch.

Thanks to all those who helped with the setup and cleanup and putting the chairs back the way we found them. Also thanks to those who brought treats to share – especially the chocolate chip cookies.

A special thanks to our ASC Executive Director Mary Fruits who handled ordering the pizza and purchasing the soda and much of the other supplies.

Visit the Cat Café and hang out with friendly felines; December 3, 2016 (Saturday), Snack afterwards at McDonalds, 1102 Regent Street, Madison

Thirteen people spent a lovely hour this morning hanging out with very friendly cats. Sunny (an orange and white tabby) met us at the door. He wanted Tristan to pick him up and hold him upside down like a baby. Tristan was happy to do this. It turns out Sunny is the cat that had escaped and was missing when I first went to the Cat Café to check the place out and set up this outing. Sunny had made a break for it through the front door and eventually found his way home to the house of his previous owner (they could no longer take care of him). Sunny was disgruntled at first when he was returned to the Cat Café because he had been allowed to go outside sometimes at his old home. But he has since adjusted and settled into his new home. We were happy to get to know Sunny and hold him as much as he wanted.

There were about a dozen cats of every color wandering around, under and over the furniture. They all had names, but I just couldn't keep them all straight. Every time anyone sat down, there was soon a cat draped over them. There were lots of cat toys lying strategically around so most of us had fun getting the cat's attention with those toys. One mom and her son set up a board game to play (they have a big selection), but a cat came and laid down right in the middle of the board before they even had a chance to start the game.

The room where the cats were was full of comfortable stuffed chairs and was warm and relaxing. It was quiet and a really nice place to just chill out. All of the “inconvenient” things like the litter boxes were out of sight in a separate room connected by a small cat door. There were a number of cats that weren’t feeling social right then who chose to hang out in there so we never saw them. But we could look at their pictures hanging on the walls and read the biographies of all the cats in the Cat Café. About half of them are permanent residents and half are available for adoption.

A big thanks to Maddie of the Cat Café for dealing with a number of small crisis while we were there. i.e. The cat throw up, the malfunction of the coffee machine and the problematic connection for the credit card sales. They had a number of cute cat related items for sale in the front of the café. I found some things for Christmas presents for my daughter. We had a great time.

AUsome Social Group Philosophy and Ground Rules

Group Sponsor:

The AUsome Social Group is a service provided by the Autism Society of South Central Wisconsin (ASC). **It is highly recommended that you join the ASC.** Chapter membership will save you money at future AUsome Group activities and other ASC events. Individual ASC membership is only \$15 annually. To get more information about the ASC, call 608-630-9147, email info@autismsouthcentral.org or send a note to Autism Society, 437 S Yellowstone Dr, Suite 217A, Madison, WI 53719. See the ASC website at <http://www.autismsouthcentral.org/> for membership information. The website also has a link to the AUsome Social Group web pages on the left side (there is also an AUsome adult support group for those on the spectrum).

The Autism Society of South Central Wisconsin is an affiliate of the Autism Society of America, a nationwide organization. However, membership in ASC does not include membership in the Autism Society of America. The ASC serves the counties of Dane, Columbia, Sauk, Iowa, Rock, Green, Lafayette, Grant, Richland and Crawford. Membership in the Autism Society of South Central Wisconsin assures local programs, services and supports are able to continue and includes several free or discounted events right here in our local area.

Group Purpose:

The AUsome group was organized to provide stimulating, fun, and educational social opportunities for people ages 12 and over who are challenged by sensory/communication issues related to Autism/Asperger's/PDD/Tourette's, however, anyone is welcome to join the activities. We try to set up activities that allow for social interaction between group members and between parents and siblings of the group. We also strive to provide new and interesting experiences that will broaden the world view of participants and expose them to educational and potential job environments.

The AUsome Social Group Newsletter:

The AUsome Group has a separate newsletter that is sent out every other month, containing details for the next 2 outings and a summary of what happened the past 2 months. The AUsome newsletter will be sent out at least a week in advance of the next outing (I hope). Some things may be planned with short notice if something interesting comes up. The ASC will maintain a mailing list of participants. The newsletter will be sent out via email. If you need to have a paper copy mailed to you, that can be done by special request. But remember that it saves time and postage if notification can be sent electronically. Reminders and special messages will only be sent electronically. Our AUsome newsletter is also available on the ASC website at <http://autismsouthcentral.org/find-support/social-and-support-programs/ausome-newsletters/>

General Activity Plans:

The general plan is to have an activity about once a month that will last from 2 to 4 hours. The target day will be the first Saturday of the month. However, this is subject to schedule conflicts and availability of interesting activities. Activities that we have done include bowling, miniature golf, gymnastics, movies, a talent show, art gallery visit, fossil hunt, Little Americka (a local amusement park), swimming, horseback riding, Go Cart driving, farm market, airplane rides, pottery making and a limousine ride. Each January we attend the annual Madfest Juggling show. In August we have a private pool party at the Monona Pool. Every November we have "video/board game/socialization night". If you are especially interested in a particular activity or have other suggestions, please let me know. Some activities will coincide with general activities planned by the Autism Society such as the annual August swimming party.

Sensory Issues:

Every effort will be made to accommodate sensory issues by limiting cigarette smoke, strong odors, unusual lighting, large crowds and high noise levels where possible. If an activity might involve some of the sensory problems mentioned above, they will be described in the AUsome newsletter. It will not be possible to accommodate everyone's needs all the time so individuals must decide their tolerance levels for each activity. Please let me know if you have any special requests in this area. Also, please be sensitive to requests from group members who have special sensory needs (such as problems with others chewing gum.).

Logistics:

Some individuals may need to arrange for a support person to accompany them. Please use your best judgment in this area. Transportation will be the responsibility of each individual. However, effort will be made to provide help with transportation by designating central meeting points, etc. Please call me, Nancy Alar, (608) 222-4378 or e-mail me at Nancy.L.Alar@gmail.com if you have transportation problems, and I'll try to help work out a way for you to get there.

Since these activities are loosely organized social outings, each person participates at their own risk.
